Startup Week Chattanooga
October 12 – 16, 2015

Startup Week Chattanooga is a celebration of Chattanooga's entrepreneurial community. This multi-day experience will feature a number of community-led events that highlight our growing startup scene and inspire entrepreneurial thinking. Participants include some of the most amazing startup founders, thought leaders, community supporters, investors, and technorati in town, all of whom make Chattanooga an incredible place to live, work, and play. We want to showcase the very best of Chattanooga - its can-do attitude, its innovative spirit, and above all its people.

To capture the richness and diversity of Chattanooga's entrepreneurial ecosystem, Startup Week is organized around three tracks: Tech, Social, and Creative. These three areas represent entrepreneurial strengths we want to build upon as a startup community. Each track will offer a variety of programming, from meet ups and mixers to workshops and knowledge sharing.

The calendar events can be found at: <http://startupweekcha.com/#events>
